### Financial Contribution in lieu of Fund raising.

The Barden Ridgebacks Netball Club has added to your registration a cost of \$10.00 per family in lieu of conducting any major fund raising for the 2012 Winter netball season.

### Barden Ridgebacks Netball Umpiring Policy

Our intermediate teams provide our umpire base and due to the large number of junior teams, cannot cover all of the junior umpiring requirements. Please be aware when registering your daughter that during the season you may occasionally be called upon to umpire a game. All senior teams must supply their own umpire for the current season. (Days 1-14). Chris Darby, the Senior Umpire Convener can supply contact names if needed. Each senior team will be responsible for paying their umpire each week. All players 14 years to 17 years will be encouraged to participate in an umpiring course so that they may umpire at least 3 games per year.

### Canteen

Canteen Duty is allocated to each team (about 1.5 - 2 hours) at least once per season. Even if your team has a Bye on that day, your time slot will need to be filled. We ask that parents please be mindful of volunteering a small amount of time once a year to fulfill this role. It is **NOT** the responsibility of the Coaches/Managers or Committee Members to fulfill this obligation. Please make your team Manager's role easy by volunteering your time on that day.
